### DIAMOND & PEARL BALL BENEFITS CANCER FOUNDATION

Beckstrand Cancer Foundation's seventh annual Diamond & Pearl Ball on Saturday at the Balboa Bay Club & Resort in Newport Beach was quite the party. With "An Evening in Havana" theme, many of the 406 guests opted for sexy Latin dress and loosened their wallets to help the nonprofit group net more than \$1.1 million toward financial assistance, counseling and other practical help to cancer patients and their families. Joining Beckstrand's Executive Director Lil Spitzer, right, are, from left, gala chairwoman Renetta Caya, former Los Angeles Rams All-Pro center and three-time cancer survivor Rich Saul, and "CSI: Miami" star Eva Le Rue, Beckstrand's national spokeswoman.
