Beckstrand Cancer Foundation's Diamond & Pearl Ball

The Balboa Bay Club was transformed into a Parisian cabaret for Beckstrand Cancer Foundation's Moulin Rouge-themed Diamond & Pearl Ball—and the star-studded lineup of guests dripped with jewels for the big night. Beckstrand national spokesperson **Eva La Rue**—of *CSI: Miami* fame—honoree, cancer survivor and actress **Fran Drescher**, gala chairwoman **Renetta Caya** and others sipped Moulin Rouge cocktails and enjoyed entertainment from burlesque cancan dancers, natch! Among the other highlights: Lugano Diamonds' live auction package, featuring a trip to Tel Aviv. With all that dazzle, it's no surprise the gala raised \$1.3 million and left attendees longing for a getaway to the City of Light. —Kristen Schott

“I am so proud to be a part of a charity organization that supports cancer patients during their time of need in such a unique and meaningful way.”

— **RENETTA CAYA, CHAIRWOMAN OF THE BECKSTRAND CANCER FOUNDATION'S DIAMOND & PEARL BALL**
